

#### PAYDEX® Score

CreditBuilder allows you to establish, build and monitor in real time your D&B credit file and data including your PAYDEX® Score. The PAYDEX® Score is D&B's unique dollar-weighted numerical indicator of how a firm pays its bills and is based on trade experiences reported to D&B by various vendors. The D&B PAYDEX® Score ranges from 1-100, with higher scores indicating better payment history.

## CreditBuilder™ Premium– The Most Effective Solution for Both Monitoring and Building Your Business Credit

Unlike personal credit monitoring solutions, **CreditBuilder** gives you control over your business credit file. **This next generation credit solution** allows your company to manage the information within your credit file, allowing you to add good payment history and fix inaccurate information that could be reported to lenders, vendors, insurers and other companies looking to do business with you.

**CreditBuilder Premium** is our most complete credit building solution for companies with a need to demonstrate **rock-solid credit** and strong payment history with a larger number of companies.

### CreditBuilder Premium Features:

- Maximize the impact you have on your D&B® scores and ratings by adding payment history for up to 25 companies that you do business with, subject to D&B verification and acceptance.
- Benchmark your competitive landscape and compare your business scores and ratings with up to 25 key competitors.
- Gain competitive insight on your top 25 competitors with immediate alerts on changes to your competitors' business scores and ratings.

### Product Benefits and Uses:

- Get your D&B D-U-N-S® Number and build your initial credit file in 5 business days.
- Build and impact your scores by adding good payment history that would otherwise go unreported to D&B.
- Access your D&B credit report any time for one full year and get alerted when any of your business scores and ratings change.
- Benchmark your business performance against your industry and your key competitors.
- Gain a competitive advantage with automatic email alerts on changes in the credit files of your key competitors.

### Product Summary:

CreditBuilder is the only solution on the market that allows you to establish and build your D&B® credit file by adding in good payment history that would otherwise go unreported. Your data will be verified by D&B, the world's leading source for business credit and then benchmarked against your industry and competitors, providing you valuable insight to help you protect and grow your business.
