Please review size(s), color, logo placement and copy. By approving this layout you agree that this design proof is accurate and will be produced as shown. Please indicate any revisions needed if required, or by your signature, indicate your final approval. Graphics production will not begin until the final art has been approved by client. Colors shown on proof are only representations of colors in the actual art. The finished output may vary from what is viewed on monitors or desktop printers. PMS colors should be specified when possible to assure close match to desired colors.
