# ***Yard Signs are the best way to get the word out on a budget!***

## **Business**

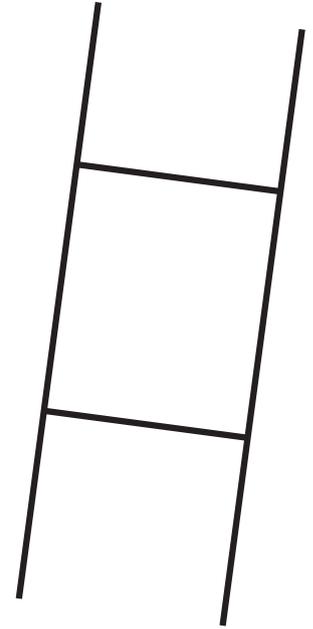

- Contractors put them in front yards to proudly identify their work
- Place near street corners to find new business
- Give to friends & neighbors to help the promotion
- Use rows of signs to advertise sales & events with eye catching appeal

## **Schools & Organizations**

- Promote plays, concerts & other school events
- Give to supporters to place in their yards
- Sell the signs for fundraisers
- Promote issues such as school bonds

## **Political Campaigns & Issues**

- Place near streets for name or issue recognition
- Give to supporters so they may show their support
- Sell the signs to raise funds & help supporters tell the story

Corrugated Plastic like this is durable outdoors for years depending on conditions, and when you're done most recycling centers will recycle these signs.

**Don't forget the wire frames!**  
**Our American Made**  
**"H" Frames will slip easily**
