## **And the winner is...**

### **Peachtree City Foamcraft awards 10" tablet at NBM Philadelphia Show.**

**Schnecksville, PA**—Peachtree City Foamcraft, the largest wholesale manufacturer of Foamcore monument signs made the NBM Sign Business & Digital Graphics Show Philadelphia, a memorable one for one lucky show attendee who got to take home a 10" Acer tablet.

The manufacturer and longtime NBM Show exhibitor is no stranger to The City of Brotherly Love, with a manufacturing plant in Schnecksville, PA which is located just 62 miles Southeast of Philadelphia. "We wanted to do something special for Philadelphia". Michael Fetter, National Sales Manager continues, "This is our backyard and the first time the show has traveled to Pennsylvania, it is exciting and we wanted to say Thank You to those who stopped by our booth to say hello".

Peachtree City Foamcraft allowed all attendees of the show the opportunity to stop by their booth during the three-day show and leave their business card for a chance to win the tablet. The promotion drew over 50 entries and at the conclusion of the show a random winner was drawn.

Craig Parrish, President of Parrish Sign Company took home the tablet. Parrish Sign Company is a retail sign shop located in Vineland, NJ who specializes in retail and construction signage, serving both industries at the local and national level.
