# Performance Guarantee for Graphic Manufacturer

**3M**

**Sept 2021**

## Print Media

IJ180(All versions), IJ280, SV480, LX480, IJ170, IJ175Cv3, IJ3552C, IJ3555, IJ380, IJ3690LF, IJ680, IJ680CR, 780mC, IJ8150, IJ3650, IJ3630, IJ3730, 8170-P40/P50, 40C, 48C, IJ160

This is not a finished graphics warranty. The only remedy available is replacement of 3M product used in the construction.

**\*\*Graphic Protection & Media Options**
Some printer & ink platforms may not be approved for all listed media or protection. 3M recommends graphic protection for all graphics. Refer to media Product Bulletin before selecting a graphic protection option.

## Graphic Protection

| **NOTES** | **LIMITATIONS: Always check the media and protection Product Bulletins for additional details and intended use.** | | | | |
| **Total Ink Coverage** | 270% for most films and printers in a CMYK system. Exceptions: 250% for all Reflective Films and Mimaki JV5 Series with HS ink series. | | | | |
| **Limitation of Liability** | With the exception of 3M branded products, 3M does not represent that any printer or printer accessory recommended in 3M literature will meet customer requirements, any federal, state or local regulations or any applicable safety standards. Such determination is the responsibility of the printer owner. | | | | |
