smartwool  feels good.

A photograph of a Kérastase Paris hair salon. The focal point is a large, illuminated sign with the brand name 'KÉRASTASE' in a large, serif font and 'PARIS' in a smaller font below it. To the left of the text is a small image of a woman's face. The sign is mounted on a wall of light-colored wood panels. Below the sign is a dark shelf holding folded black towels. In the foreground, a row of hair wash basins is visible, with a variety of Kérastase hair care products (shampoos and conditioners) in different colored bottles (red, yellow, green, purple, white) lined up behind them. To the right, a glass display cabinet contains more products. On the far left, a round mirror and a lamp are partially visible.
